EDO UNITED CLUB OF SACRAMENTO

The Edo United Club of Sacramento (EUCS) believes profoundly in inclusiveness, a strong sense of community and being our brother's and sister's keeper. From the beginning, EUCS have strived to live to these beliefs in our effort to support all members and our community.

That support and beliefs have continued to strengthen the unity in our community today.

We intend to share these with you and other Edos at the 18th ENA National Convention coming up in September 2009.

And as we prepare faithfully for the success of this convention, EUCS will also endeavor to build on the progress ENA has made in previous annual conventions.

And with your assistance, we can make it happen.

As will look forward to seeing you at the COP meeting, EUCS would like to use this opportunity to thank you for your planned visit we hope to make your trip comfortable, productive and memorable

Welcome to San Francisco

Long live ENA!

Long live EUCS!!

May God bless you all!!!
